## *Dedication*

Creating a sense of brotherhood and an acceptance of its responsibilities among a group of students is the prime concern of every true teacher. Incorporating this concern with a pleasant personality and a true spirit of devotion to her students, Mrs. Mary T. Bliss has proven herself to be a teacher of eminent stature. Her love of young people has fostered a dedication to them which is further reflected in her many additional activities, among them the sponsorship of the Taunton High School Student Council and the Junior Classical League. Thus it is with great affection that the Class of 1968 dedicates its JOURNAL to Mrs. Mary T. Bliss.

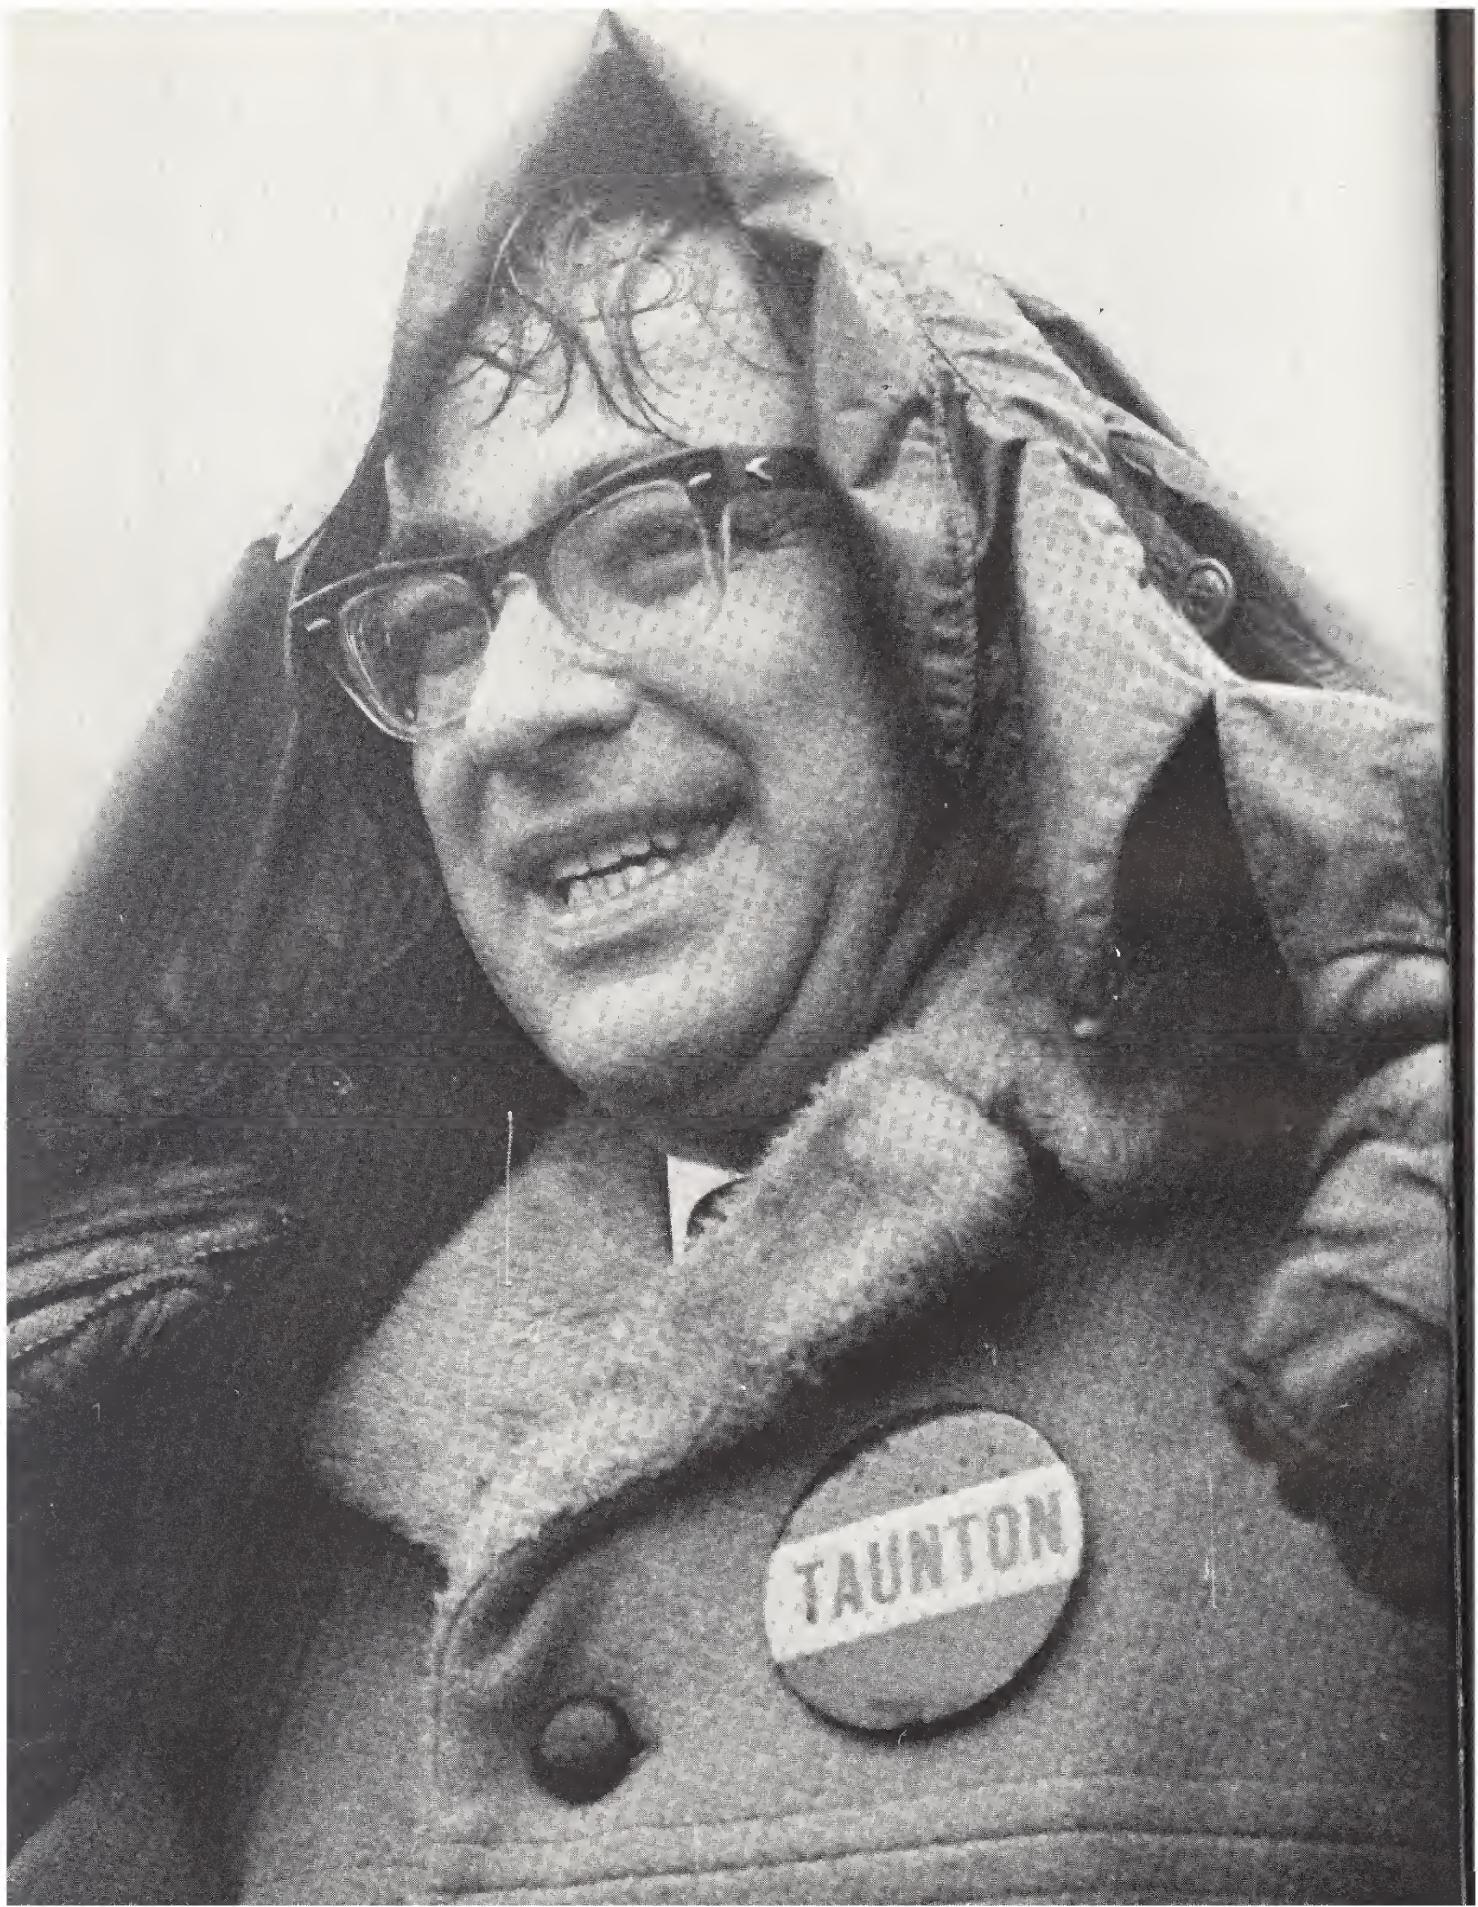

# **foreword . . .**

*Four years of growing together have brought us to the recognition of our strength and achievement as a class -- our brotherhood. We have learned that it is not the strengths and weaknesses of the individual but rather those of all of us that have determined our success. If we can remember this basic truth of our youth as we go out into the world, we may attain the dream of all men -- peace through understanding. To this ideal so inherent in our class spirit do we consecrate this, our yearbook -- JOURNAL 1968.*

# FACULTY

As we grow from childhood to maturity, we recall the involvement and understanding of the many people who have helped us on our way. Outstanding among these have been our teachers who have sacrificed greatly that we might grow to understand,

# SENIORS

Together we have weathered the storm of our high school years, searching for that elusive quality which we so need to be complete. Finding brotherhood, we leave Taunton High School with the knowledge that each person is a unique part of one total being — Man.

1st Row: B. Rose, vice president; S. Nereo, secretary; S. Hammett, treasurer; A. Baptista, president. 2nd Row: F. H. Lane, W. Sherry, L. Gilchrist; sponsors.

A deep sorrow filled our hearts as we watched graduation come and go. So long had we worked, perhaps sometimes struggled, during our four years of high school so that we could witness that day which would make all our efforts seem fruitful. As we pause a moment to reminisce, we realize how swiftly our school days have fled. Yet each one of us has enough memories for a lifetime--our joy in success, our disappointment in failure, our excitement in adventure, and our tears in departure.

Frightened and leery of what lay ahead, we began our high school career in September of 1964, and we participated in as many clubs as were open to us. Somehow we managed to live through that first exasperating year, only to face another year of hard work and headaches. However, now we had developed a strong sense of "belonging", not only to the school but to each other. Through team work we were able to accomplish much our Junior year. "April Love", our class dance helped to finance our prom, "Tender Is the Night," which afforded the finishing touch to a perfect year. Next came the year of the "Tigers", and we were number one! Never had one year been so thrilling as this last year. Our Senior prom, "Love is Blue," left us with memories so tender, we will cherish them forever.

On our final day of graduation, our minds wandered back to the days of crowded hallways, long lunch lines, blown-up chemistry labs, and thrilling games. Our school song lingered in our minds as we saw our friends assembled together for the last time.

# UNDERCLASSMEN

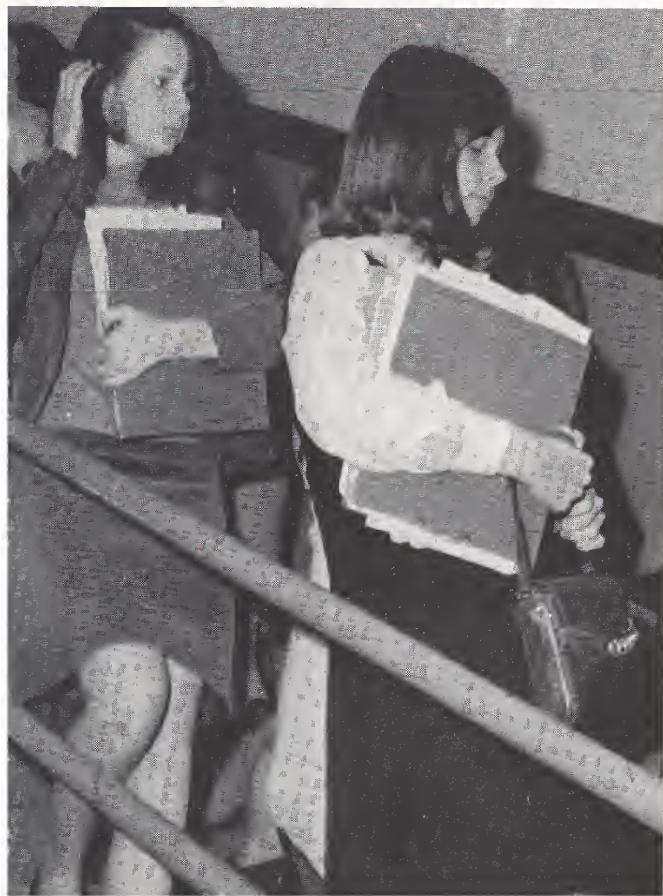

## Junior Class

Down the up staircase.

. . . now, before it explodes you. . .

Devotion to school and their class may best explain why the class of '69 has given so much to THS this year in the way of active participation in school projects. Winter Carnival, the theme of the February dance sponsored jointly by the junior and senior classes, was their first major project, while the highlight of the year was the prom which shed a magic enchantment over the members of the class.

As members of organizations and sports, the junior class has contributed much to the success of the school in the sports fields and the personal advancements and rewards in the various THS clubs. They will be the leaders of tomorrow, and are showing the potential and determination that is so prevalent in their very presence here.

We congratulate them for these points and wish them best of luck and fortune in their final year at THS.

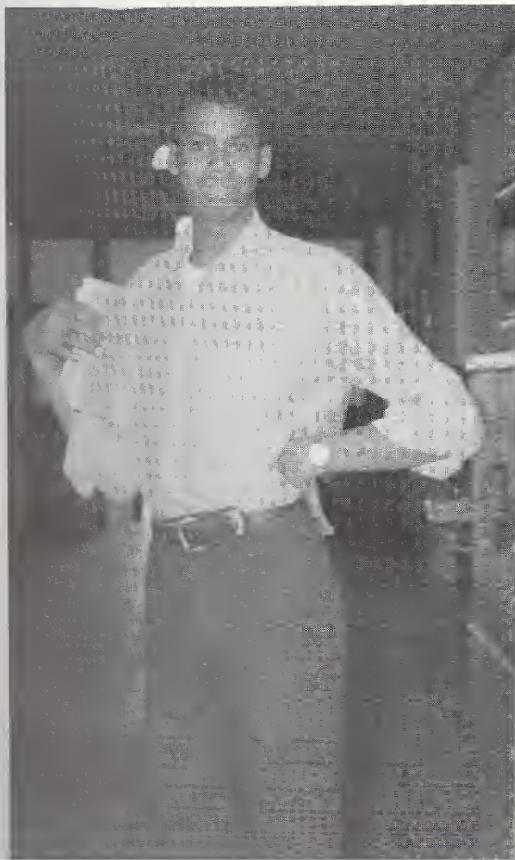

"I don't see any bubble."

What do you mean I need a bobbin too?

Wendy sights pigskin ahoy.

See the boys. See the teacher. See the boys and the teacher read.

"Give us a T!" shouts Linda.

## Sophomore Class

Pep and energy seem to fit the Sophomore Class to a "T". Donating their percentage of school spirit, they have helped keep THS alive and vibrant during this school year, and will continue to do so next year as juniors.

We thank them for their sincere participation in school activities and willingness to do their part as an integral fiber of THS. The zest of life seems to spring from this ambitious class and during their next two years at THS, they will play an important part in the forming of future citizens and responsible members of this young generation.

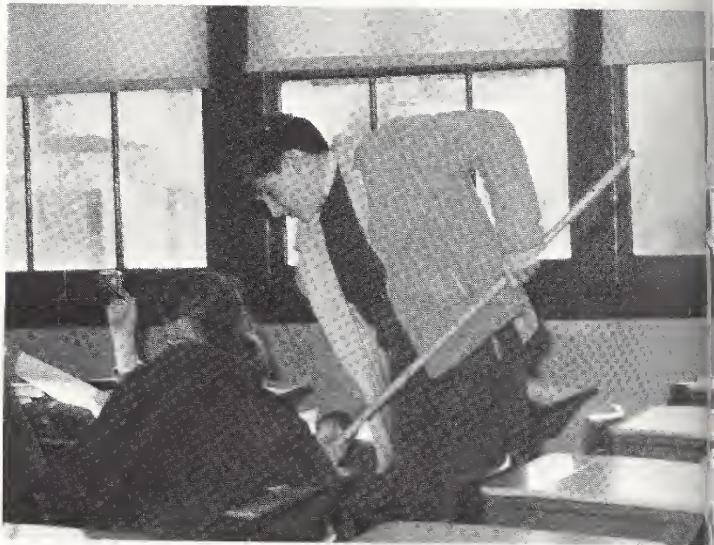

We wish them the very best!

Each year our freshman class brings new faces and new ideas to THS's activities. This year's class was full of ambition and spirit even as they faced the usual obstacles of long lunch lines and rotating classes.

Although restricted from many activities, they showed their enthusiasm by helping to cheer our teams on to victory. They also took part in the band, chorus, Cadet Corps, Red Cross, and freshman athletics.

We know their four years will be rewarding and we hope their freshman year will leave them with many happy memories.

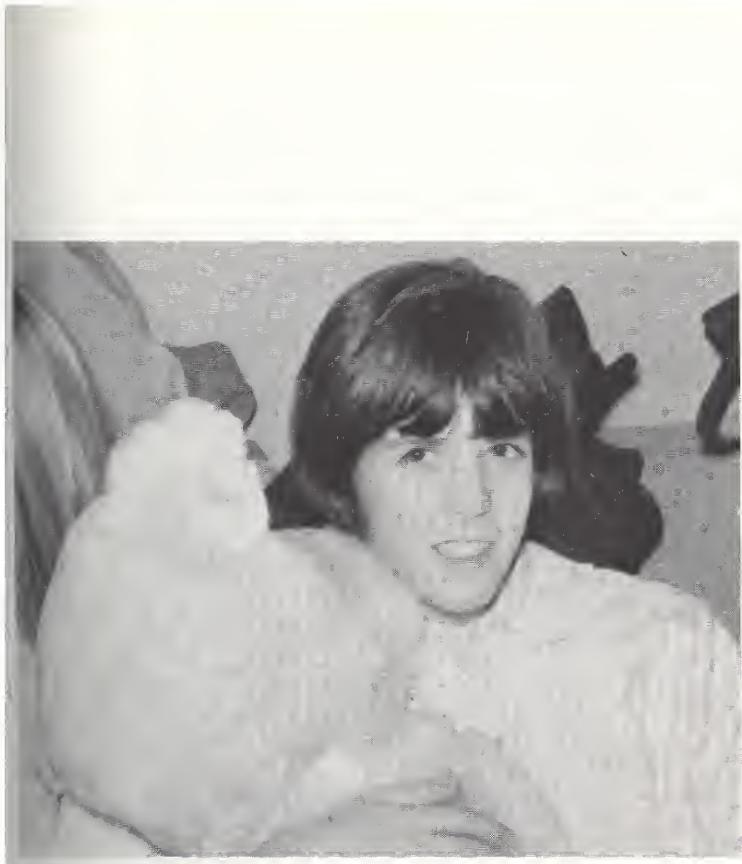

How about, "A dangling participle just sort of hangs?"

# CURRICULUM

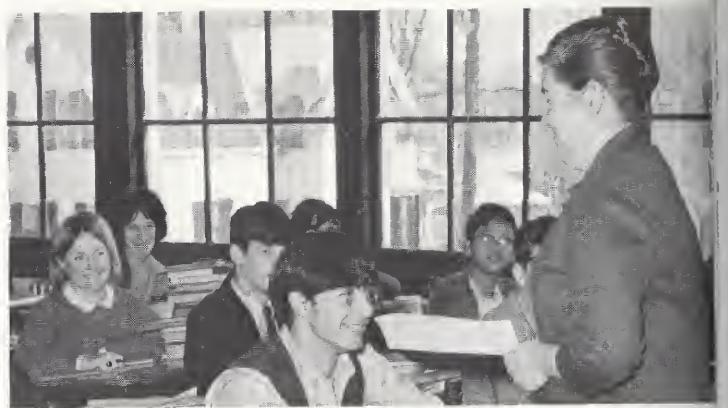

Together we strive for the knowledge which will help us to discover truth. Friendship through honesty, understanding, and learning is our ultimate goal.

Mother Goose was never like this.

Keeping in step with modern times, the English Department now utilizes four new tape recorders, overhead projectors, and a series of film strips. By means of this equipment we can easily learn the purposes of punctuation and the value of vocabulary.

Through the use of new textbooks on American and English literature, Hawthorne, Dickenson, and Whitman come alive, bringing us a better understanding of the beauty of our language and literature.

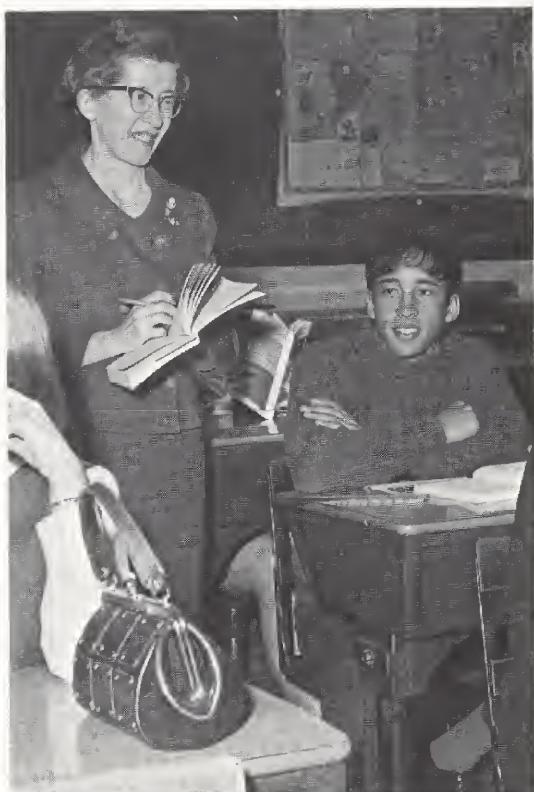

When you're smiling...

Do not disturb!

"No, Peyton Place isn't part of the American Lit. course."

No, Mr. Aleixo, he's not going to jump.

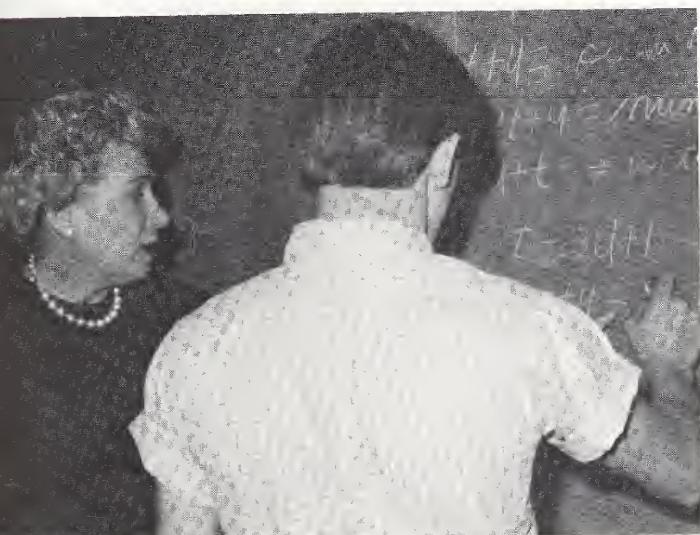

Now add two eyes and a nose and...

How dare you throw erasers at me?

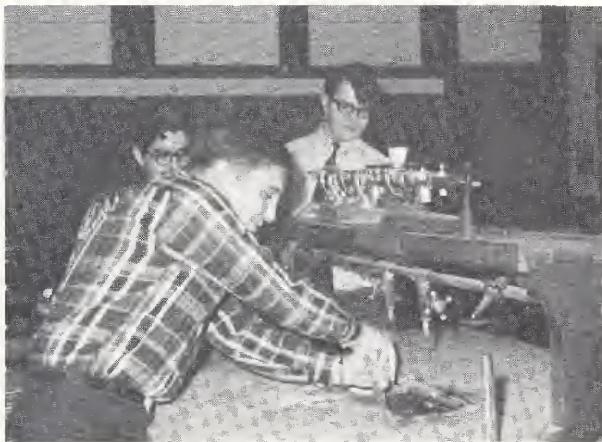

Who told you this was a Happy Fizzies Party?

Miss Dykas fidgets with digits.

No, you can't have your slide rule back...I ate it.

Just think! It all pours into the room below us.

I told you this would never be in the yearbook.

Why didn't Pasteur mind his own business?

In a never ceasing effort to improve facilities and broaden a student's opportunities, the Taunton High School Science Department has acquired a biociliscope and two kymographs through a federal loan program. Offering programs of study dealing with every field of science from General Science to PSSC Physics, a student leaves THS with a firm foundation in scientific methods and principles which will prove invaluable in later years.

And now, for my next number...

Two heads are better than one.

Let me in on it.

I wonder how many I can flunk today?

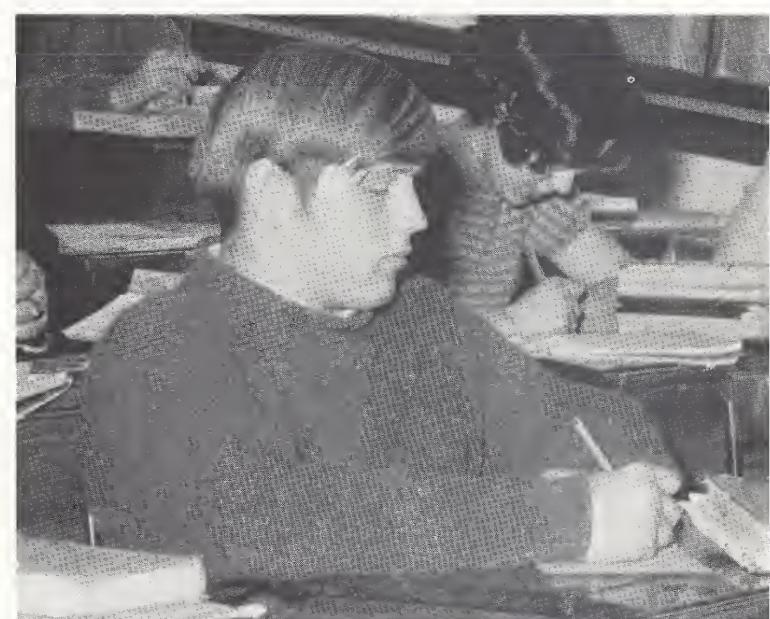

Mr. Cook smiles for his fans.

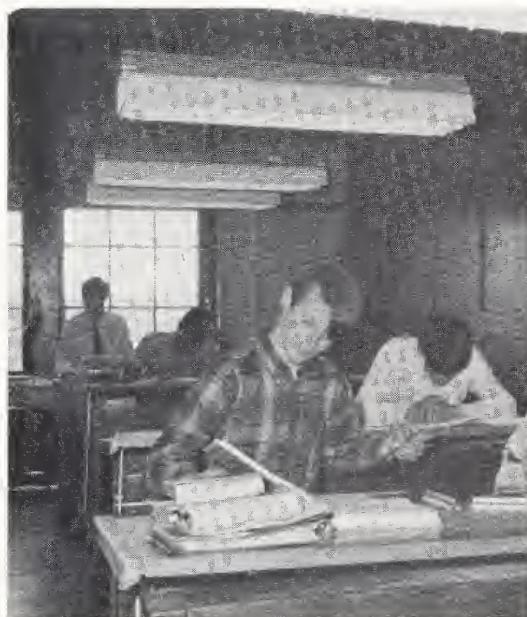

Though the Pilgrims and explorers are gone, their deeds and exploits are brought to life through our history classes. To help us fully understand how our government operates and the difficulties confronting it, our civics and problems of democracy courses provide us with an accurate look into the men and methods that run our land.

When we step out to take our place in the country, accompanying us will be a first-hand knowledge of the Monroe Doctrine, the Bill of Rights, and the laws and liberties which we will always stand for.

#### Music

The halls are alive with the sounds of the Chorus and the rhythm of the Band. Where would we be without these pleasant tones during X Block? Our students enrolled in the music courses acquire a true appreciation of our musical heritage.

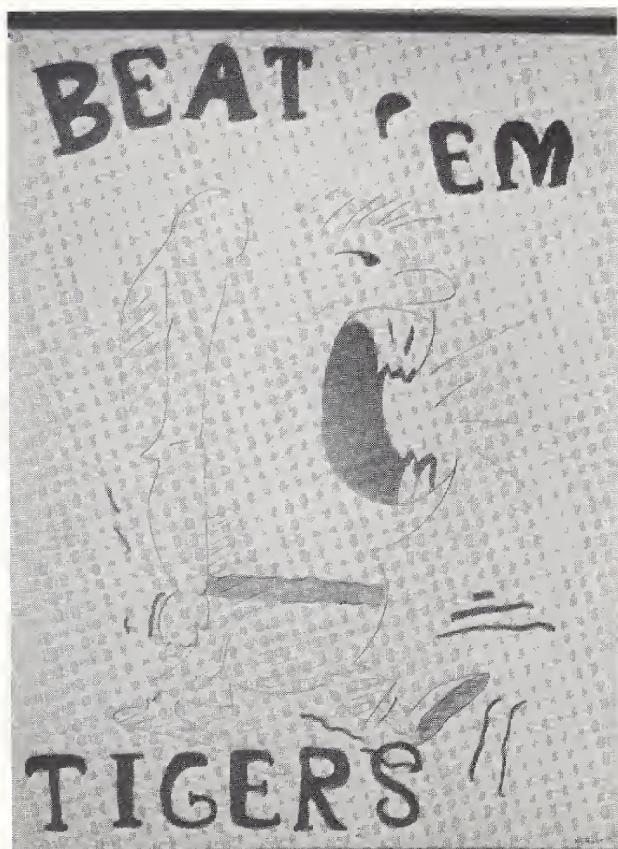

Mary has a little lamb, Mr. Park.

Gabriel, come blow your horn.

We did!!

I'll just tell her it's an abstract.

#### Creative Arts

Those students interested in painting and drawing, thoroughly enjoy Mrs. Crosby's art classes. They decorate the corridors and cafeterias with colorful posters for special events, such as Christmas and the Science Fair. Certainly their hard work, patience and vivid imaginations create a beautiful effect in our school.

Debbie decides it's time to learn how to read.

The Reading Lab has introduced many pupils to the experiences and thoughts of others. Speed reading projectors and reading kits have aided many students in their quest for a better education.

# ACTIVITIES

All have separate, yet common goals which can help us to live and work together. Profiting from the actions and mistakes of others, we can better learn to cope with the problems of today—and maybe, to peacefully solve some.

### The Journal

In addition to the usual obstacles, such as deadlines, this year's Journal staff also had to contend with the problems of epidemics of German measles, flu, mumps and scarlet fever and a flood to get the book out. The staff members attended two conventions, one in Attleboro and one in Boston. From these they learned about the various aspects of making a good yearbook better.

### Student Council

The Student Council played an important role in guiding student affairs and activities throughout the year. As in past years, the Council sold Tiger decals and bookcovers, conducted a student-faculty basketball game, and obtained privileges for seniors. Due to a decrease in membership, the Council was able to conduct regular monthly meetings and operate more efficiently.

Traffic Squad

Each year freshmen are told that if they see a handsome boy with an orange arm band, he's the one to ask for help. This is a member of the THS traffic squad, whose main duties are to patrol corridors, keep order, run errands for the office, and supervise the cafeterias at lunch time. The year's activities usually involve a spring outing. They are a traditional asset to the school and aid to Mr. Gula.

### Girl's League

The Girls' League consists of those senior girls who, through their four years of high school, have maintained an outstanding average in their scholastic work. The girls this year have continued wearing armbands and have the privilege of patrolling during study periods. Once again, the Girls' League enjoyed a Christmas luncheon at the Toll House, and held a very successful candy sale to finance an overnight trip to Provincetown.

Larger and more influential than ever, the business world provides many challenges which the T.H.S. Business Club members strive to meet. These leaders in the world of tomorrow play important roles as members, for they learn about finance and trade as they plan activities for the year. Besides their November Candy Sale they gained invaluable knowledge by touring Armor Bronze in February and Raytheon in March.

Gee, Math is stimulating!

## Math Enthusiasts

The goals of the Math Club are to create interest in higher mathematics, to introduce principles which would not otherwise be covered, and to keep high the mathematics standards of Taunton High. In accordance with these ideals, the members have entered various national contests, besides sponsoring the Geometry Contest in June.

To explore beyond that which is learned in regular science classes, to strive for the unknown, and to bring it just a little closer are the goals of the Phy-Bi-Chem. The club made its annual trip to the Boston Museum of Science in December and helped with the preparations of the Science Fair in order to stimulate the interest necessary for the accomplishment of their goals.

### The Jets

The Jets (Junior Engineering Technical Society) was organized to satisfy the needs of the many students who are deeply interested in technical engineering. With Kenneth King as president, and under the sponsorship of Mr. Paul Levesque, the Jets have toured local firms and visited various points of interest. Members have also viewed and discussed films profitable to their engineering interests.

This newly formed club is certainly reaching its goal — which is to emphasize the importance of technical and scientific knowledge in our modern world.

"Speech is the mirror of the soul: as a man speaks, so is he."  
Publilius Syrus

The Debating Society strives to help its members formulate ideas and put them across to their listeners. Under the sponsorship of Mr. Thomas Hoye, the club entered its second year of competition in the Southeastern Interscholastic Debating League with high hopes. Seven experienced debators returning, the club had a fine nucleus to build upon and were able to enter novice, junior varsity, and varsity teams. Debate topic for this year was whether uniform regulation of criminal investigation procedures should be established by Congress.

Friendship, considerateness, and unselfishness—the THS Red Cross. Members sent little gifts and favors to the less fortunate people in Brockton V. A. Hospital, Paul A. Dever School, and the children's ward of Morton Hospital. Dances and variety shows took time, but everyone participating agreed that the happiness they spread was worth the trouble. It is not only our near neighbors, however, who received benefits from Mrs. White's workers, but people in Vietnam, to whom eighty friendship boxes were sent. You'll find members of the Red Cross working at the Blood Bank and at the V. A. Hospital in Brockton.

The THS Junior Red Cross strives for good will and achieves it.

### Duty Calls

The Taunton High School Cadet Corps, celebrating its eighty-second year, is the only military organization ever to be affiliated with our school. Most of the training is in strict accordance with the Army Field Manual and is of value to anyone who later goes into the service. The recruit learns military science, obedience, neatness, and precision teamwork. Besides being at all school concerts and important affairs, the Cadet Corps holds two prize drills; these give cadets a chance to compete against others of their own ability and display the fundamentals of military science.

A deserved prize for work well done.

As the T.H.S. football team fought to win, the Pep Squad was right behind supporting them in every way. This organization, composed of a great percentage of Taunton High girls, has only one aim — to spread excitement and spirit throughout the entire student body. On Tag Day volunteers from the Pep Squad displayed their pride in the team when they collected a large amount of money to send the football team to Washington, D.C.

Throughout the basketball season the Pep Squad continued their cheering. Their spirit remained as high as ever, and so did the team's.

Liveliness is fast becoming the by-word for the active Junior Classical League, better known as the Latin Club. The year's activities began with a Halloween party, in which members wore appropriate Roman dress. In December, the club went to Cambridge to see Oedipus Rex. The Ides of March brought the annual reburial of Julius Caesar. In May the club attended the state J. C. L. Convention, where the members took an active part in the festivities.

#### Brotherhood through Understanding

?Habla usted espanol? Then the THS Spanish Club, La Tertulia is for you. Open to second, third, and fourth year Spanish students, the Spanish Club hosts guest speakers and sponsors film strips on customs and modern life in Spain.

Behind the swinging title "The Portuguese Pad" there is a club which has serious as well as enjoyable plans. One of the newest clubs, A Toca Lusitana has done much in organizing since it was formed last year. One of their most serious projects this year was their donation to Portuguese flood victims. They certainly hold their place in the line of languages at THS.

With Socrates Vavalotis portraying Scrooge, the Dramatic Club opened up a successful year. Along with Dickens' Christmas Carol, One Red Rose was presented. The students involved put on a truly professional presentation. To top off the year, the club demonstrated its skill in the spring musical, Bye Bye Birdie.

Once again, one of the largest organizations in the school, the Dramatic Club has gained a triumph for Taunton High, as well as providing an outlet for its students' creative abilities.

Run for your life.

On the go--on the snow.

Poor snow conditions was the only damper on the Ski Club's spirit this year. An active group, they separately retained the purpose of the club as they headed north to better snow and higher mountains. Talent and fun are the main characteristics of the club.

Newly formed last year, the Junior Leaders' main purpose is to give experience and training to girls interested in sports and physical education, particularly those planning on future careers in the area. Among a variety of activities are their annual Powder Puff football game, a car wash, and beach party. In a more serious light, the members assist in classes in order to give them a deeper insight into leadership and training.

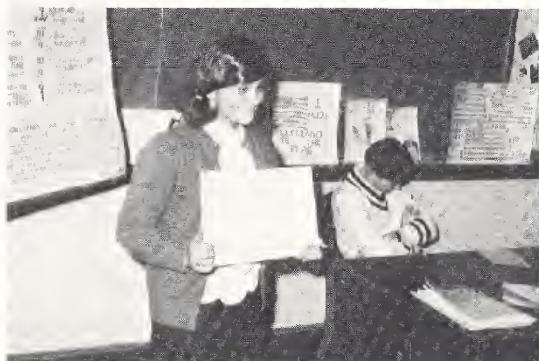

Sitting: S. Nero, President; Miss Kelsch, Sponsor; K. Davis, Vice President. Standing: G. Roza, Secretary; C. Machado, Treasurer.

The Historical Hallers

Seated: J. McGuirk, President, Barbara Wester. Standing: Mr. R. Daly, Sponsor, D. Wright.

The aim of the History Club is to stimulate an interest among students in current events. This year's membership was at it's highest ever with forty members. As customary, members presented the annual program at the Old Colony Historical Society and later in a student assembly; this year's theme was "History through Folk Songs". Also continued from last year was a student government exchange program with Scituate High School.

Show and Tell.

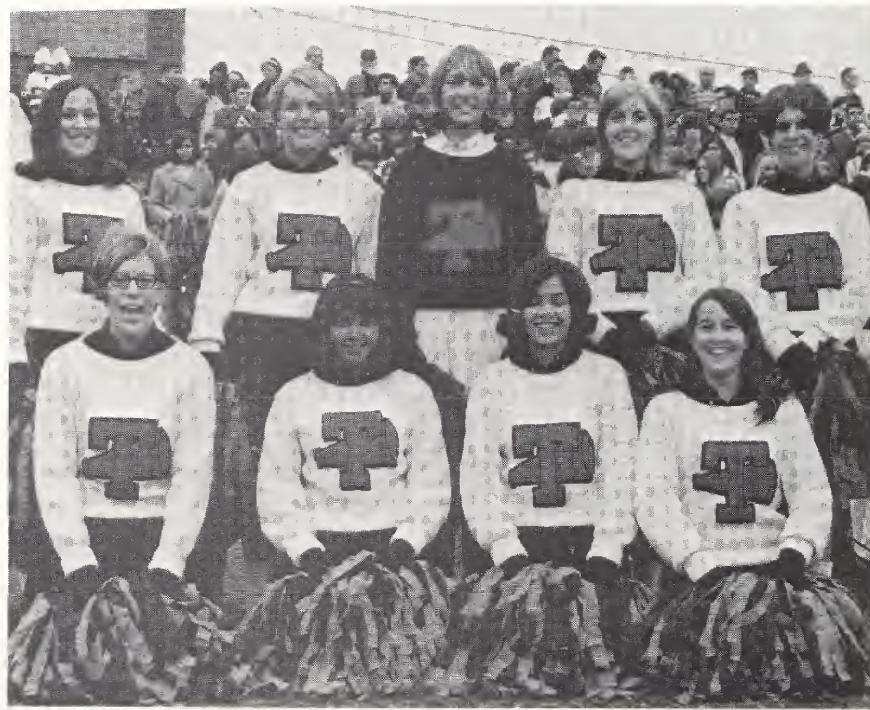

The Unprofessionals

One of the main purposes of the Future Teachers Club is to give young people who are interested in education as a profession a taste of tomorrow today. Under the able sponsorship of Miss Linda Vespa, members participated in fund raising projects and visited colleges and universities to gain first-hand information about the local schools. After hearing many interesting discussions on the methods of teaching by faculty members, the junior "professors" took over the classrooms and "taught" their friends during the annual student teachers day.

The Taunton High School Band by any other name is Mr. Robert Park. As director of the Swing Band, the Parkettes, as well as the band as a whole, he arranges rehearsals, rewrites parts, and teaches interpretation. What is his purpose? Why is he here? What does he get out of it all? His principal purpose is to convey his love of music and its intricacies. His achievements are crowned at the spring concert, for his happiness lies in seeing other people's joy.

## Sights and Sounds

One of the ingredients of a successful rally, assembly concert, or play in THS is hearing what is going on. Another important task is showing films without needless delays and interruptions. These are the results of the efforts of Mr. Silva's workers in the Audio-Visual Club. He shows them how to use the apparatus in the A-V room efficiently. The various aspects of photography are also taught.

## Paint Pushers

One of the main activities of the Art Club this year was the planning of colorful displays in the front foyer, the corridors and the cafeterias. Some of their original exhibits, which brought delight to all and brightened up the school, were of autumn and winter scenes and Christmas decorations. However, the Art Club not only added beauty to Taunton High, but showed its helpfulness with posters advertising various school activities, such as the Science Fair. This active club once again has shown a successful year.

Seated: P. Robino, President; Mr. Nickerson, Sponsor; J. Lopes, Vice President. Standing: D. Gomes, Secretary; R. Gagnon, Treasurer.

Sitting: J. Graca, P. DeLang, K. St. Germain, E. Bliss. Standing: Mrs. Crosby, Sponsor; R. Manning, S. McGrath.

The Industrial Arts Club enables students to enlarge their talents beyond the workshop. This year, under the sponsorship of Mr. Nickerson, the club went on field trips showed related movies, and held an Industrial Arts open house. Performing odd jobs and repairing the school are just some examples of the club's many activities.

## Book of the Month Club

"So You Want to Write" was the topic of discussion when the distinguished Professor Jaki addressed the Literary Club. With various other lecturers and trips to Boston Libraries, the members agreed that the year had been a wonderful new start for this club. Among their activities this organization sponsored a Book Fair, profitable to the whole student body.

Literary Club—J. Briggs, President. Mrs. B. Ashapa, Sponsor; J. Rose, V. President, B. Lincoln, Secretary; S. Pölikoff, Treasurer.

A. Wenczak, Treasurer; S. Tavares, President; Mrs. Corcoran, Sponsor; A. Arruda, Secretary; L. Mendonca, Vice President.

## Today the Kitchen--Tomorrow the World

Talent, talent everywhere--especially in the Home Economics department. The members of the club add a spice here and take a stitch there to add flavor and strength to an active group. The Christmas party and Valentine's Day favors for Taunton State Hospital inmates highlighted the year's activities. To top off their full schedule, the members held a June picnic.

Sitting: S. Rebello, A. Bedard, G. Nolette, D. Nadeau, S. Poirier, T. Montgomery. Standing: K. Martin, C. Wamblo, L. Cotter, K. Sullivan, L. Beaulieu, B. Dutra, F. Costa. 3rd row: C. Campbell, S. Miller, O. Courcy, G. Benoint, G. Mitchell, C. Stie.

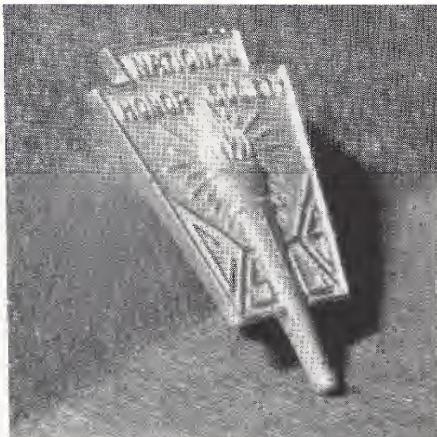

Each year we are faced with the problem of crowded lunch lines and short recesses. Thanks to the cafeteria workers, who are volunteer students, we have had more efficiency and better lunches.

First row: S. Hammett, K. King, D. Carvalho, J. Motta, M. Andrade, L. Gonzalski, L. Cushman, Treasurer; G. Sousa, E. Kastanopolous, M. Andrade, President. Second row: S. Delano, J. Tomawski, J. Andrade, G. Dulude, Secretary; J. Alegi, R. Zurawel, J. Perry, S. Milne, G. Travers. Third row: D. Silvia, G. Roza, C. Homen, I. Labonte, P. Ferreira, A. McKenna, J. Gula, R. Mellor, M. Gwozdz. Fourth row: S. Polikoff, J. Cotter, A. Baptista, N. Johnson, P. Morris, C. Cetlin, M. Costa, M. Martin. Fifth row: G. Nickerson, B. Lincoln, N. Ladebauche, Vice President; G. Gross, W. Grandmont, W. Hurst, J. Cavanaugh, B. Quigley, L. Cabral, B. Wester, D. Costello.

## The National Honor Society

*One of the highest rewards for scholarship a student of Taunton High can receive is induction into the National Honor Society. To be eligible, juniors must have maintained a scholastic average of 3.6, while seniors must have a 3.265 average. Although success in studies is important, other qualifications, such as character, leadership, and service are also necessary. By upholding all of these principles, the National Honor Society sets an example for the entire student body.*

# SPORTS

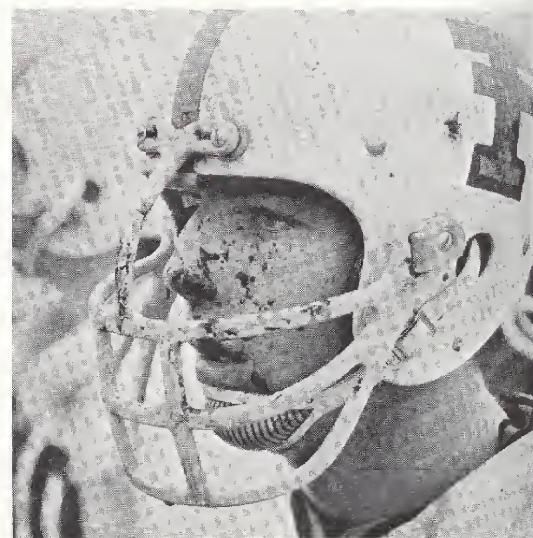

As a snowball increases in size while rolling down a snow-covered hill, so do we grow as people by meeting and competing with others from various backgrounds. As a team we learn to accept the bitter taste of defeat along with the mellowness of hard fought victory.

Hit!

Bring on the next course!

Boy, football sure is a tough sport!

We're number one! The refrain still echoes even in the distant corners and crevices of Taunton High as the 1967 gridsters posted the best THS football record in fifty-one years. The Tigers began the season with seventeen returning lettermen—they finished the season with eleven All-Bristol selections! Last year's record was 1-1-7, a most dismal season. This year they posted a 9-0-0 record, winning the Class C State Championship, along with the Bristol County and City Championships!

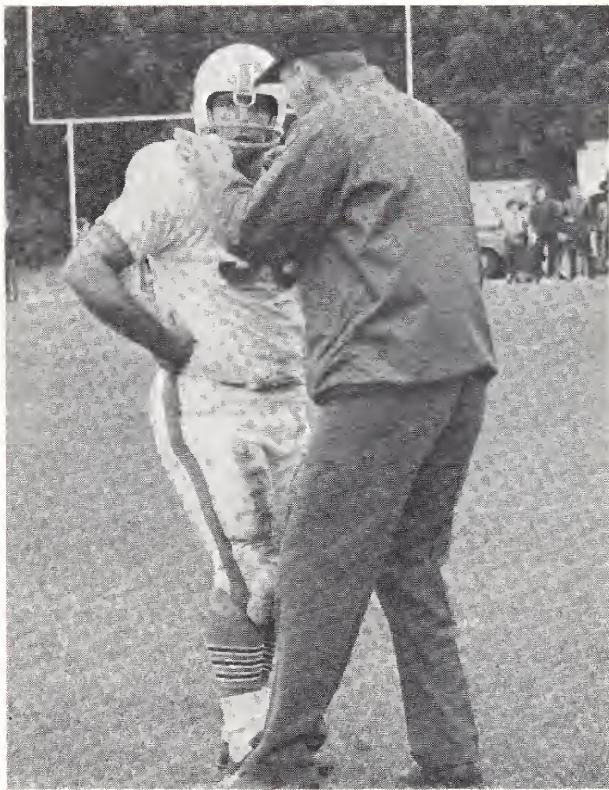

The 1967 Taunton High Tigers have left a trail behind them which will stand for years—a legacy of the best football team ever seen at Taunton High School.

Seated: J. Tokarz, H. Fitzgerald, M. LaChance, L. Murray, J. Hamilton, B. Rose, P. Ascheiro, M. Silva, A. Collins, B. Borden. Second Row: Mr. Johnson, Mr. Alexio, T. Medeiros, J. Goldrick, R. Silveira, J. Mulhern, T. Perry, A. Peabody, J. Macaloney, E. Hayes, W. Doel, J. Blake, R. Hunt, Mr. Herond. Third Row: D. Thompson, P. Soviecke, J. Elizardo, E. Nadeau, J. Hayes, D. Pontes, R. Manning, B. Medeiros, G. Nunes, R. Joacquim.

Minuet in D.

Oh! Brotherhood!

This year's hoopsters filled our winter with many exciting moments, both in victory and defeat! Who can forget their momentous 99-75 victory over visiting Durfee, or their thrilling, come-from-behind win over Bishop Stang? Finishing with a 13-8 record, and winning the coveted City Championship, they outdid any THS basketball team in the past four years.

This year's team floored their opponents with a devastating offensive explosion and a hustling defense. Coach Reddy and the boys can look back on this season with satisfaction and pride for a job well-done, The Year of the Tiger!

Seated left to right: D. Frates, J. Arroujo, J. LaFrance, C. Andrade, Captain; K. Gabourel, D. Silvia, F. Penacho.  
Standing: Mr. R. Reddy, Coach; W. Malone, P. Smith, R. Theilker, P. Gustafson, P. Maynard, C. McCone.

### 'Cross Terra Firma

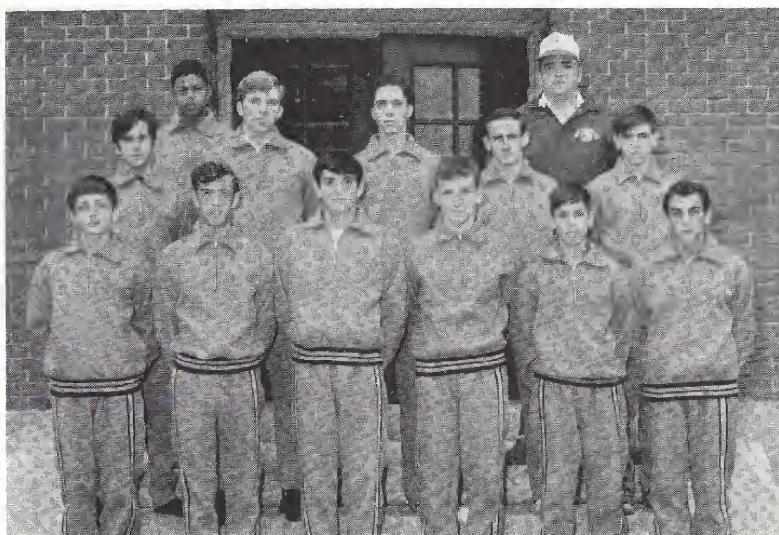

1st row: J. Tocarz, J. Boyle, S. Ridley, P. Gustafson, M. Silva, A. Wilbur, T. Viera, J. Mulhern. 2nd row: P. Smith, G. Leonard, J. Jacinto, R. Montgomery, A. Arpin, J. Osenkowski, J. Gage, P. Lynch, Mr. Aleixo, Coach. 3rd row: A. Paull, S. Dunphe, M. Pacheco, M. Robertson, D. Thompson, W. Grandmont, J. Gordon, S. Olson.

Led by co-captains Scott Ridley and Mike Silva, the 1968 tracksters hope to improve on last year's 5-5 record. With virtually the same team returning from last season's fourth place finishers, the 1968 squad is putting in a strong bid for top honors in the BCL this spring.

Two new events, the hurdles and the two-mile run, have been added this year, and again the warning goes out to the rest of Bristol County, "Watch out for the THS Tigers in 1968!"

That little bit extra is what's behind this year's cross country team. Working with a small but energetic team, Coach Tony Lopes has managed to bring the '68 Tigers to a record. Yet this is only a slight indication of the group effort involved.

Hop, Skip, and Jump

1st row: R. Low, S. Pacheco, T. Viera, J. Gage, G. Gonsalves, A. Arpin. 2nd row: J. Jacinto, A. Wilbur, W. Grandmont, T. Lavelle, F. Dunham. 3rd row: D. Gomes, A. Lopes, Coach.

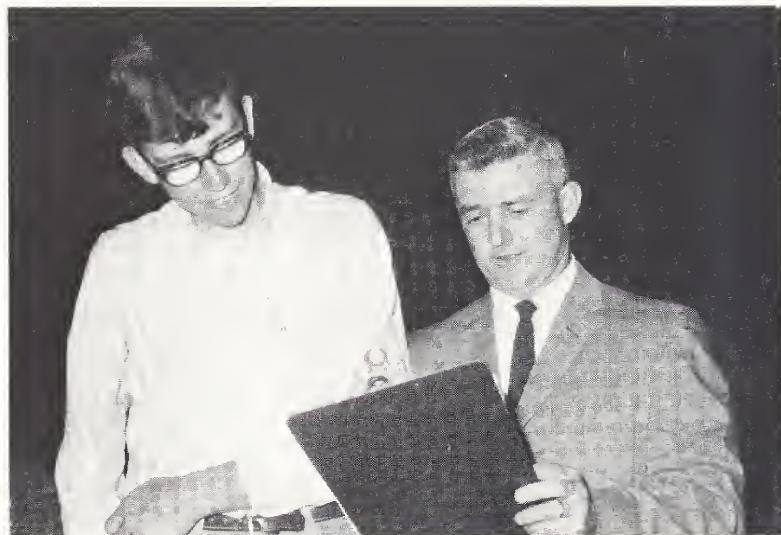

A Little Bit of Love

Mr. Reddy, Coach; D. LeClair, M. Cameron, G. Zurawel, A. Leckhart, R. Costa, Captain; F. McGuirk, G. Bernardino, A. Medeiros, G. Baker.

Under the able direction of Mr. Robert Reddy, the tennis team is on its way to its most impressive season in recent years. Led by captain Ronnie Costa, who was honored by the Southeastern Massachusetts Tennis Coaches Association, the team is constantly improving and will be a threat to all opponents.

The principle behind any sport is practice makes perfect. This is especially true in the golf world. With most of the team back for the 1968 season the school can look forward to increased success.

Fore! Would you believe Five?

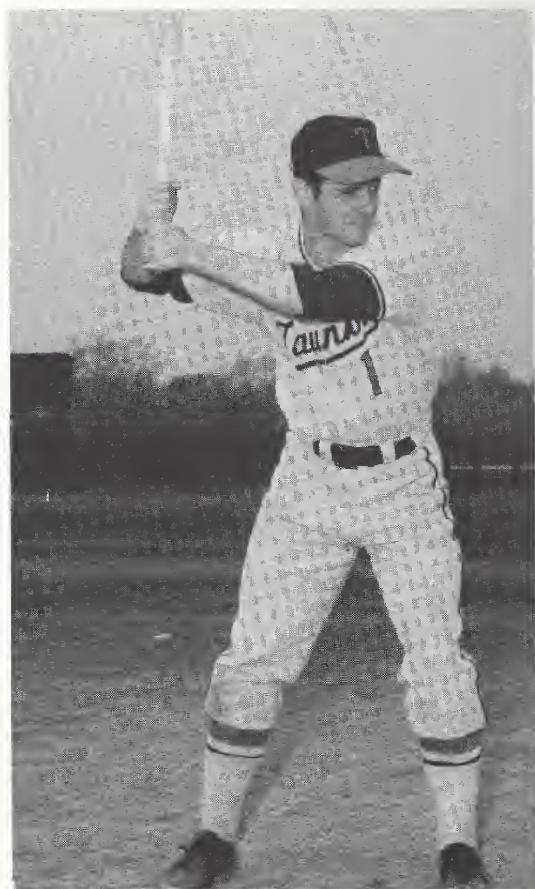

Earl and Mr. Verre plot their 9-hole strategy.

Sock it to 'em Tigers!!

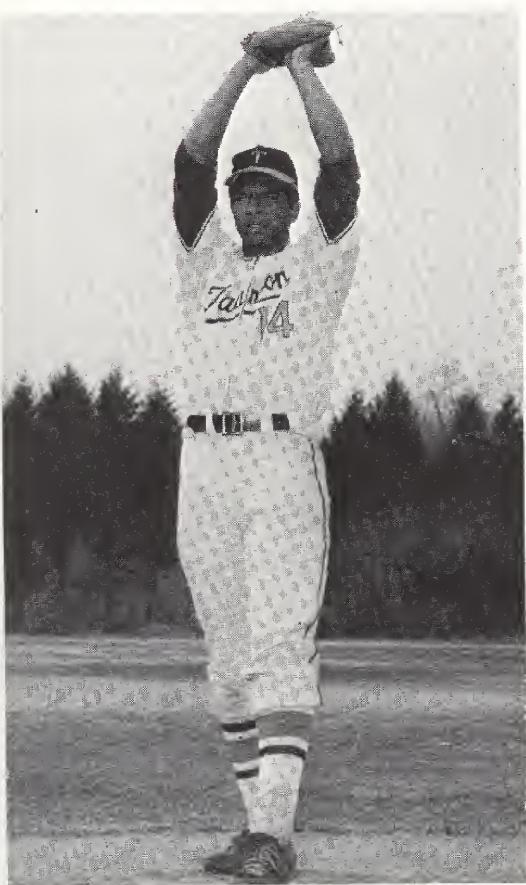

I wonder if anybody knows  
that I've got the ball.

Tommy, the Tiger!

Sitting: B. Borden, R. Nolette, B. Rose, M. LaChance, Co-captain; D. Silvia, Co-captain; T. Lavelle, M. Medeiros, D. Frates. Standing: Mr. M. George, Coach; R. Joaquim, J. Majkut, J. Hayes, A. Peabody, J. Macaloney, S. Folcick, J. Penacho, T. Williams.

The stance of a champion.

With seven returning lettermen the 1968 baseball team appears to have as much talent as any THS team in recent years. The loss of last year's All-Bristol Co-captains Scott Chausse and Dave Lewry will definitely hurt the Tigers, but the calibre of the returnees will more than take up the slack!

Co-captain Mark LaChance is one of the ablest backstops in the BCL, and he should provide many headaches for opposing base-stealers. Dave Silvia, the other co-captain should be capable of filling Chausse's shoes as the ace of the mound staff. The 1968 Tigers tied for the number one spot!

An assist in the making.

#### All Bristol Co-Champs

Mark figures that it must come down some time.

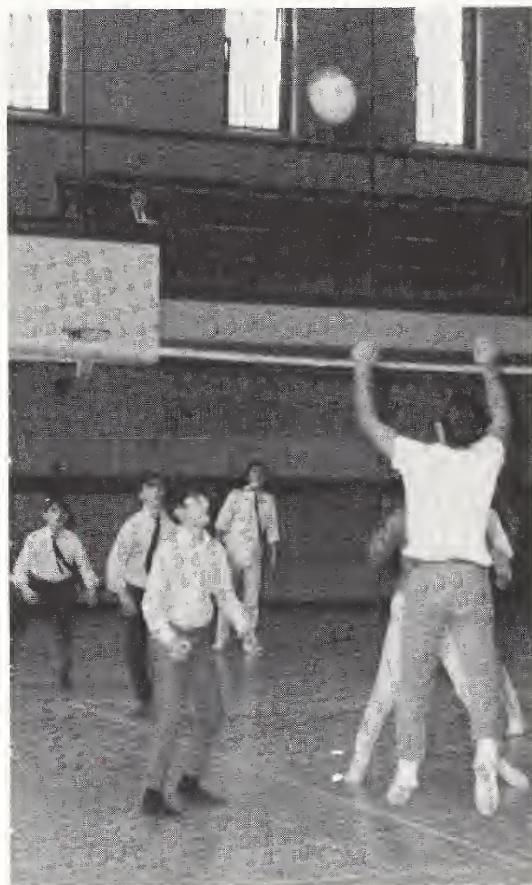

## Intramurals

Promoting good will, the intramural program also helps those who participate to become physically fit. Under the direction of Mr. Augustine DiRubio, the program gives those students who are unable to play in varsity sports the opportunity to compete against others of the same ability.

Hey! What's the matter with you? We're on the same team!

I'll bet you think this is fun.

Going, Going!!

### Girls' Basketball

Co-Captained by Ruth Souza and Beth Strojny, the Girls' Varsity Basketball team suffered a disappointing season, compiling a 2-8 record in league play. A serious height disadvantage and a lack of experience were the two biggest reasons for their unsuccessful season. A rash of injuries also plagued the team, and kept many star performers out of the lineup at various times during the season.

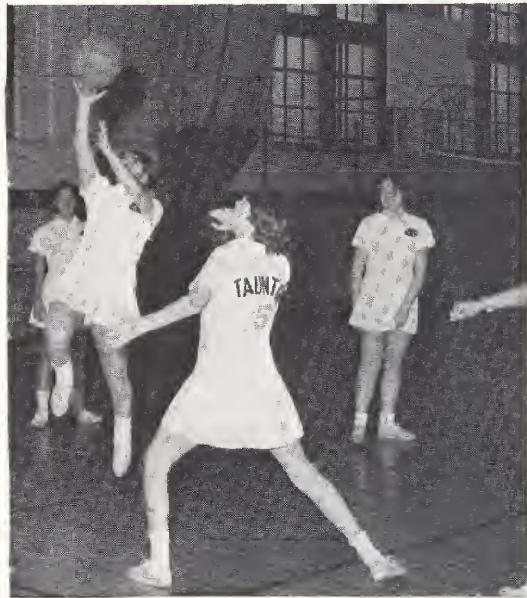

Members of the squad who have played their last game were Ruth Souza and Beth Strojny, co-captains, Louanne Longo, Dianne Nolette, Brenda Dexter, Karen Fernandes, Carolyn Machado, and Cheryl Lopes.

Seated: C. Machado, B. Dexter, R. Souza, Co-Captain; B. Strojny, Co-Captain; C. Lopes, D. Nolette. Standing: Mrs. Kittridge, Sponsor; B. Pina, K. Fernandes, G. Enos, L. Longo, E. Connally, Manager.

Thank goodness for my P. F. Flyers!

Carol tries for two.

Ruth runs to the rescue.

The world at her fingertips.

Look, it's floating!

### Girls' Volleyball Team

Kneeling: C. Machado; B. Monteiro; R. Souza; S. Norton, Captain; K. Viera; D. Paull; D. Viera. Standing: Mrs. E. Kittredge, Coach; D. Lopes, Manager; G. Enos; A. Rebello; L. Munroe; G. Longo; L. Longo; E. Doherty, Manager.

With an even record of 5-5 this year's Girls' Volleyball team overcame many obstacles. A young team with a height disadvantage and little practice, they scored their victories through superior teamwork. Although there were few returning seniors, new talent predicts a bright future.

You're out!!

I thought she was out!

What do you mean I'm out of uniform?

### Hits and Homers, Les Filles

Great desire is the word for the 1968 Softball team. This year's team, containing five freshmen and four sophomores will be able to build for future years. Co-captains Louanne Longo and Brenda Dexter form the nucleus of a successful year.

Kneeling: E. Connally, B. Dexter; Co-captain; C. Machado, G. Longo. Standing: E. Doherty, Manager; J. Motta, S. Cushman, D. Guliano, K. Viera, R. Souza, D. Dupong, S. Almeida, Mrs. Kittridge, Coach.

Here to stay. . .

Fired?

Time, O Time, whe

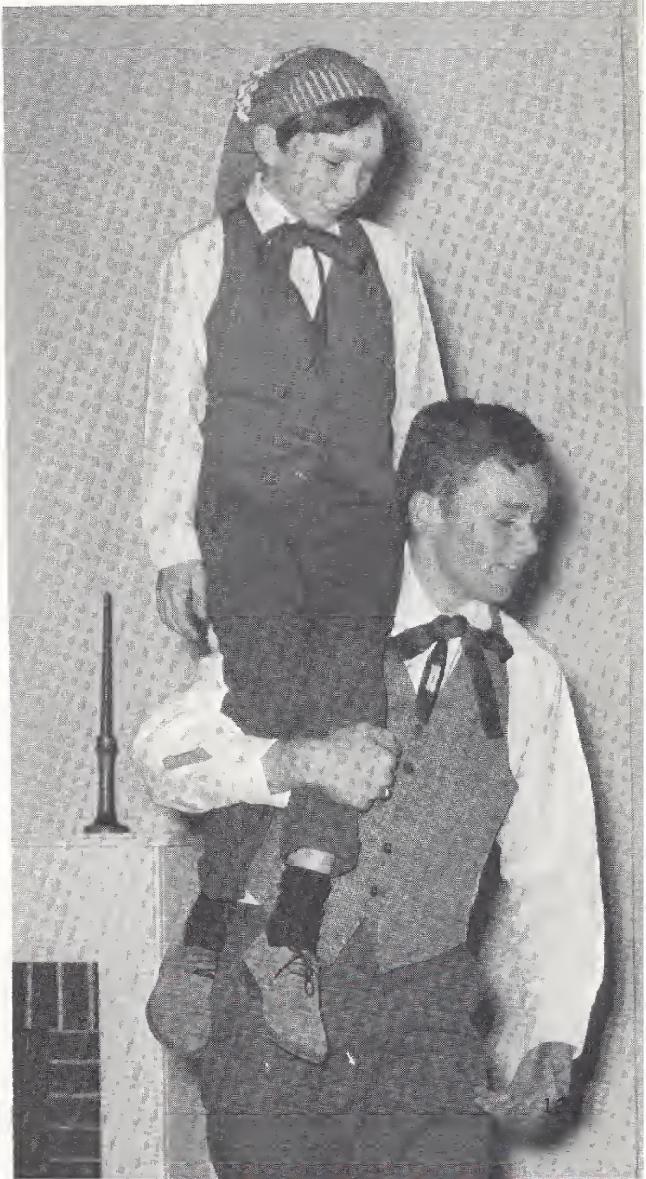

. . . Hooray!!

Oops!!

"and God bless us one and all."

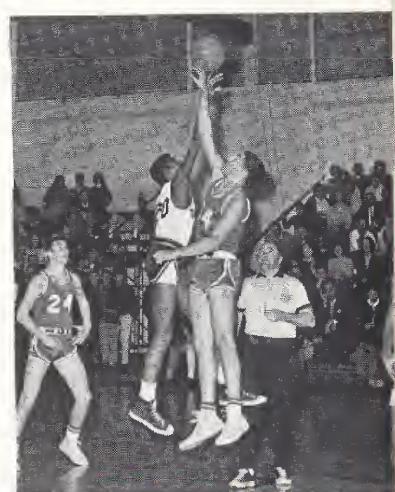

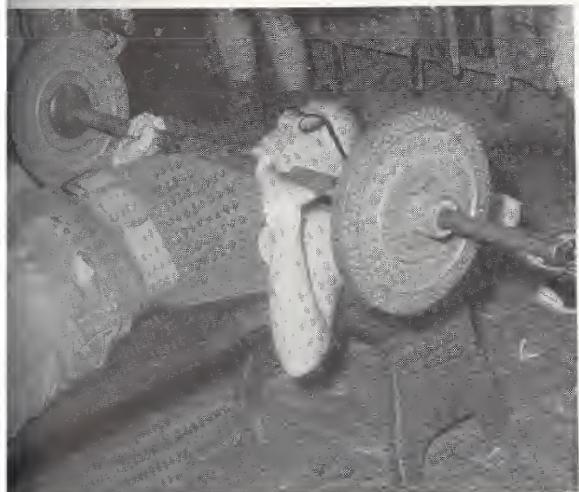

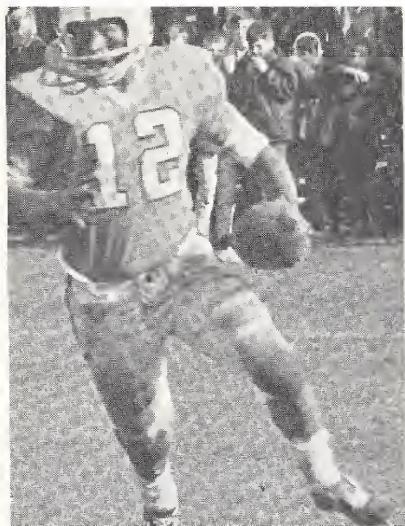

have you gone?

He'll never take me alive!

# In Memoriam

Jeanne Meunier  
1950-1968

*A memory is like a friend, always present in our minds and hearts, always a soft touch to guide us through life. Jeanne was both, as she lived and laughed, bringing a special happiness to all who knew her and a special meaning as a member of the class of 1968.*

# In Memoriam

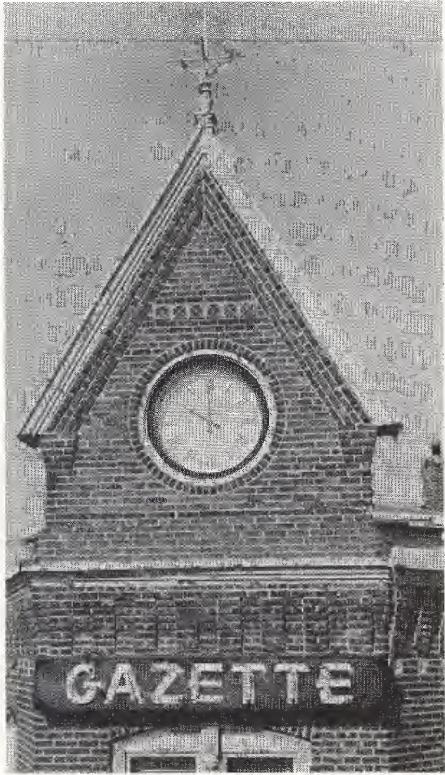

William McCormick  
1949-1968

*As he lived his life with a song in his heart, so will we remember him. Kindness and gentility coupled with talent and the power of creation made him special. A dear friend, who will not soon be forgotten, was our Billy, the boy with the golden voice and the rhythmic guitar.*

*Taunton High School Graduates  
Class of 1968*

*Dear Graduates:*

*I thank you for the privilege that has been given me of bringing to you the greetings and the well-wishes of the people of the grateful City of Taunton.*

*You are graduating in a time of great change--the shrinking world, the emerging nations, the dilemma of Americans which, at this very moment, seems to be infecting the lands across the oceans, the thirst for democracy and academic freedoms which seeks satisfaction in Poland, Czechoslovakia, Yugoslavia, and Rumania, the fantastic scientific and technological advances of this atomic era, the revolution in medicine and the whole new concept of transplants--all these and so many more attest to this great phenomenon of change.*

*Ponder, if you will, the psychological significance of all this change. It is generated, nourished and enthused by people not much older than yourselves.*

*In spite of all the contradictions, confusions and uncertainties, you get the feeling that even greater things are shaping up.*

*The variety of opportunities has never been so many and so inspiring.*

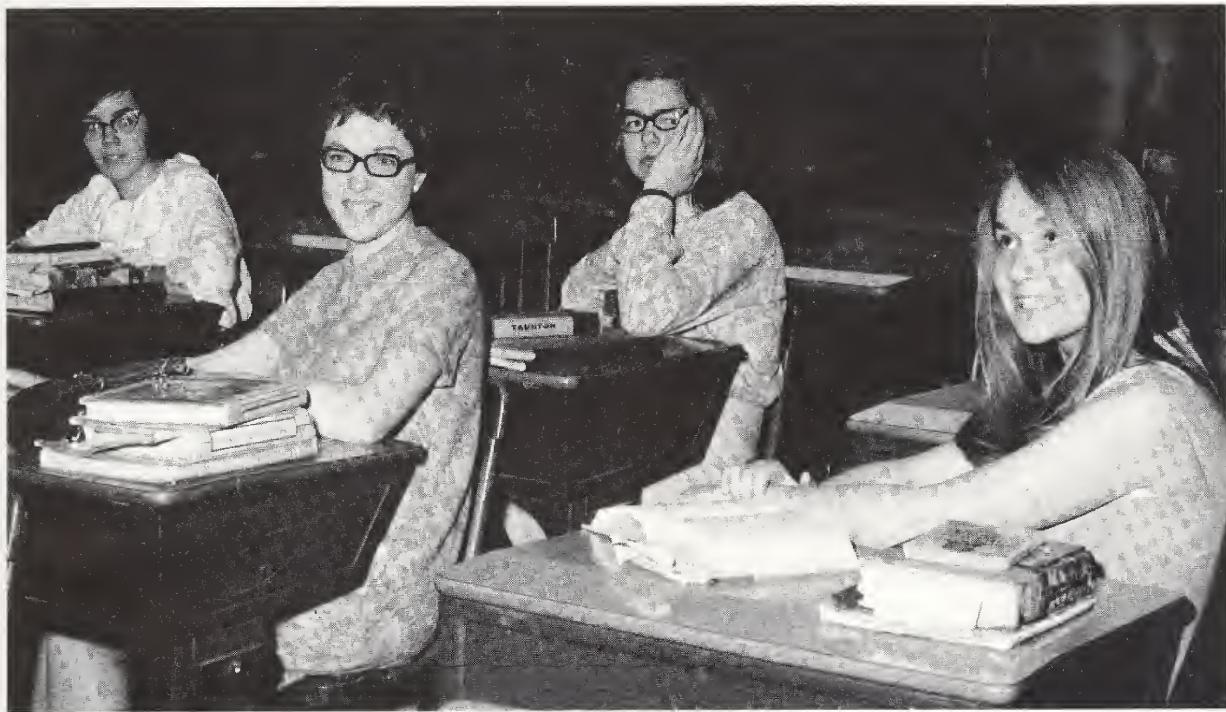

*As I said before it is a young man's world!*

*I am sure that the Class of 1968 possesses the courage, dedication, vigor and intelligence to continue to make changes for the better, bring order out of chaos, peace out of strife, and tranquility out of confusion.*

*The Class of 1968 has its challenge. I salute you.*

*Very truly yours,*

## *We thank . . .*

*Miss Andrea Kelsch, our sponsor, for her assistance and guidance.*

*Mr. Edward Aleixo, our headmaster, for trying to comprehend our many problems.*

*Woodland-Pembroke Publishing, our printer, for patiently helping us through our many difficulties, for constantly advising us, and for being genuinely concerned with our Journal.*

*Purdy Studios, our photographers, for their photographs and attention to our needs.*

*Eugene Kusekoski, our friend, for his time, thoughtfulness, and voluntary assistance.*

*Mr. & Mrs. Andrade, Baptista, Hammett, Homen, and Ladebauche, our parents, for graciously allowing us to use their homes as Journal offices and for being patient and cooperative.*

*Appreciatively,  
The Journal Staff*
